

## **Dentists - Scholarship for the Netherlands**

On behalf of our client, 130 modern Dental Clinics across the Netherlands, we're on the lookout for ambitious Dentists who are ready to embark on a new adventure, learn Dutch from scratch, and begin their dental career in the Netherlands in just 6 months.

### **Candidates' Profile:**

- University Degree in Dentistry
- Professional experience as a Dentist is advantageous
- Strong commitment to long-term work in the Netherlands

### **Working Conditions:**

- Permanent contract with a respected Dental Clinic in the Netherlands
- Guidance from an experienced Dentist for the first months
- Working autonomously within your own entity among the esteemed Dental Group
- Full-time employment
- Workweek: 32 - 40 hours
- Salary range depending on performance and hours worked: 42.000 - 60.000€ net (1st year)
- Annual professional development opportunities: 90.000 - 120.000€ net (5th year)

### **Scholarship Details:**

- Comprehensive Dutch language courses up to B2+ level, including 4 months of online study and 2 months in Portugal
- Gross payment of 4000€ during the language courses period
- Accommodation in private rooms while studying in Portugal
- All expenses during the language courses period are fully covered
- Airfare to the Netherlands
- Relocation assistance for seamless transition (including support with bureaucratic matters such as document translation, degree recognition, and obtaining a Dutch language certificate)
- Assistance with finding suitable accommodation in the Netherlands

Are you ready to take the next step in your dental career and embrace the vibrant culture of the Netherlands? Apply now by sending your CV: to [nikoleta.daikou@grecruitment.com](mailto:nikoleta.daikou@grecruitment.com)
