

**Giving Meaning to
Every Smile**

Joining VYV Dentaire means choosing to work in one of the 150 dental health centers of Groupe VYV, the leading mutual health and social protection reference in France, operating on a non-profit basis.

As a reference in the social and solidarity economy, **Groupe VYV's mission is to support everyone throughout their life** by acting on all aspects of health (care, prevention, housing...) **and leveraging its full range of professions : insurance, care and support, housing.**

By balancing economic performance with social usefulness, Groupe VYV tries hard to act in service of the people it protects, cares for, and supports.

VYV Dentaire is the offer of dental care from Groupe VYV.

At VYV Dentaire, we offer you a calm team practice environment within high-performance technical facilities equipped with the latest technologies and dedicated sterilization areas.

A support team handles all administrative procedures and patient reception, allowing you **to focus on your core profession** and thus provide **quality care to your patients.**
