1. GENERAL INFORMATION

The Virtual International Programme (VIP), launched in the winter semester of 2020/21, provides an additional exchange opportunity for students from our partner universities twice a year. The VIP includes a range of courses that are revised on a semester basis, as well as a selection of regular courses that are continuously available. VIP courses form part of JLU's curriculum, enabling JLU and international students to collaborate within a digital classroom.

The VIP welcomes up to 350 virtual exchange students each semester. Students have the opportunity to select from approximately 50 courses offered by all 11 faculties of JLU, open to both Bachelor's and Master's students. Recently, the course catalogue included courses taught in English, German, Spanish, French, Portuguese, and Arabic.

5. E-MENTORING TEAM & ACCOMPANYING PROGRAMME

The E-Mentors are JLU students from various faculties who assist international virtual students by providing personal advice on student-related matters via email and video calls, as well as offering technical support.

- ONLINE ORIENTATION WEEK FOR INTERNATIONAL STUDENTS (OWIS): At the beginning of each semester, JLU hosts a virtual orientation week tailored for international students. Various online sessions offer essential information about the university's structure, along with guidance on the IT tools and administrative systems used at JLU.

- ONLINE INFORMATIONAL & SOCIAL EVENTS: Throughout the semester, we organize a range of online meet-ups and social gatherings to address academic inquiries and encourage student connections. Every first and third Monday of the month, Question Monday offers insights into relevant topics related to studying at JLU. Additionally, every Wednesday, we host a relaxed Online Get-Together, providing students with the chance to socialize outside of academic settings. Participants can join discussions, ask questions, engage in online games, or even find a Tandem partner.

6. DIGITAL CAMPUS

All information about the programme, including application deadlines, forms, and course descriptions, can be accessed on the [Digital Campus](#).

DEADLINES: The application deadline for the summer semester (April-July) is at the end of February, and for the winter semester (October-February), at the end of July.
